INFO 6250 - Web Development Tools & Methods
FALL 2024

Course Information
Course Title: Web Development Tools & Methods
Course Number: INFO 6250
Term and Year: FALL 2024
Credit Hour: 4
CRN: 16225
Course Format: On-Ground

Instructor Information
Full Name: Ashwin DSousa
Email Address: a.dsousa@northeastern.edu

Course Prerequisites
INFO 6150 / Instructor explicit approval.

Course Description

This comprehensive course equips you with the skills to design, develop, and deploy robust, scalable, and secure microservices-based applications using a combination of Java Spring Boot for the backend, Node.js with Express.js for specific services, and modern cloud technologies. You'll learn to leverage the strengths of both Java and Node.js ecosystems while adhering to REST architectural principles.

- **Node.js with Express.js and REST Architecture:** Explore Node.js and Express.js for creating performant RESTful APIs and integrating them seamlessly with your Java backend.
- **MongoDB with Node.js:** Utilize MongoDB's flexible document-based data model for efficient data storage and retrieval in your Node.js services.
- **Redis for Caching in Node.js:** Implement Redis caching strategies to boost application performance and responsiveness.
- **Authentication and Security:** Learn industry-standard authentication and authorization mechanisms to safeguard your microservices.
- **Introduction to Microservices:** Understand the microservices architecture style, its benefits, and challenges.
- **Microservices Communication and API Gateway:** Explore patterns for inter-service communication and implement an API Gateway for unified access to your microservices.
- **Frontend-Backend Integration with App.js:** Build a modern frontend using App.js (or your preferred frontend framework) and integrate it seamlessly with your Node.js backend services.

- **Docker and Containerization:** Package your microservices into Docker containers for consistent deployment across environments.
- **Cloud Deployment:** Deploy your containerized microservices to a cloud platform for scalability and reliability.
- **Java Spring Boot Fundamentals:** Master Spring Boot's core concepts for building efficient and maintainable backend services.

Course Learning Outcomes
- Architect and develop scalable and secure microservices-based applications using Java Spring Boot and Node.js.
- Leverage MongoDB for flexible data management and Redis for performance optimization.
- Implement robust authentication and authorization mechanisms.
- Design effective communication patterns between microservices.
- Build and integrate a modern frontend with your backend services.
- Containerize your microservices using Docker and deploy them to the cloud.

Assignment Grading
- Assignment - 30%
  - Timely Submission
  - Completeness & Correctness
- Mini Project - 30%
  - Presentation & Demo
- Final Project - 40%
  - Presentation & Demo

Grading Scale

	87-89.9% B+	77-79.9% C+	
	84-86.9% B	74-76.9% C	
98-100% A			
90-98 % A-	80-83.9%B-	70-73.9% C-	
			69.9% or below F

Attendance/Late Work Policy

Attendance Policy

Students registered in MGEN courses (INFO, CSYE, and DAMG) are allowed **a maximum of 2 absences per course, with 3 or more absences resulting in an automatic 'F' for that course.** Students are expected to inform their instructors of any absences in advance of the class; if a student is sick long-term or experiences a medical issue that prevents class attendance, it is strongly encouraged that they speak with their Academic Advisor (coe-mgen-gradadvising@northeastern.edu) to learn more about the Medical Leave of Absence. Should a student anticipate being unable to attend 3 or more classes, they should discuss their situation with their Academic Advisor to explore other types of leave in accordance with the University's academic and global entry expectations. International students should review the Office of Global Services webpage to understand their visa compliance requirements.

Teaching Assistants (TAs) or Instructional Assistants (IAs) will be present at each class to collect student attendance.

Late Work Policy

Students must submit assignments by the deadline in the time zone noted in the syllabus. Students must communicate with the faculty prior to the deadline if they anticipate work will be submitted late. Work submitted late without prior communication with faculty will not be graded.

End-of-Course Evaluation Surveys
Your feedback regarding your educational experience in this class is particularly important to the College of Engineering. Your comments will make a difference in the future planning and presentation of our curriculum.

At the end of this course, please take the time to complete the evaluation survey at **https://neu.evaluationkit.com**. Your survey responses are **completely anonymous and confidential**. For courses 6 weeks in length or shorter, surveys will be open one week prior to the end of the courses; for courses greater than 6 weeks in length, surveys will be open for two weeks. An email will be sent to your Northeastern University Mail account notifying you when surveys are available.

Academic Integrity
A commitment to the principles of academic integrity is essential to the mission of Northeastern University. The promotion of independent and original scholarship ensures that students derive the most from their educational experience and their pursuit of knowledge. Academic dishonesty violates the most fundamental values of an intellectual community and undermines the achievements of the entire University.

As members of the academic community, students must become familiar with their rights and responsibilities. In each course, they are responsible for knowing the requirements and restrictions regarding research and writing, examinations of whatever kind, collaborative work, the use of study aids, the appropriateness of assistance, and other issues. Students are responsible for learning the conventions of documentation and acknowledgment of sources in their fields. Northeastern University expects students to complete all examinations, tests, papers, creative projects, and

assignments of any kind according to the highest ethical standards, as set forth either explicitly or implicitly in this Code or by the direction of instructors.

Go to http://www.northeastern.edu/osccr/academic-integrity-policy/ to access the full academic integrity policy.

MGEN Student Feedback
Students who would like to provide the MGEN unit with anonymous feedback on this particular course, Teaching Assistants, Instructional Assistants, professors, or to provide general feedback regarding their program, may do so using this survey: https://neu.co1.qualtrics.com/jfe/form/SV_cTlAbH7ZRaaw0Ki

University Health and Counseling Services
As a student enrolled in this course, you are fully responsible for assignments, work, and course materials as outlined in this syllabus and in the classroom. Over the course of the semester if you experience any health issues, please contact UHCS.

For more information, visit https://www.northeastern.edu/uhcs.

Student Accommodations
Northeastern University and the Disability Resource Center (DRC) are committed to providing disability services that enable students who qualify under Section 504 of the Rehabilitation Act and the Americans with Disabilities Act Amendments Act (ADAAA) to participate fully in the activities of the university. To receive accommodations through the DRC, students must provide appropriate documentation that demonstrates a current substantially limiting disability.

For more information, visit https://drc.sites.northeastern.edu.

Library Services
The Northeastern University Library is at the hub of campus intellectual life. Resources include over 900,000 print volumes, 206,500 e-books, and 70,225 electronic journals.

For more information and for education specific resources, visit https://library.northeastern.edu
Network Campus Library Services: Northeastern University Library Global Campus Portals

24/7 Canvas Technical Help
For immediate technical support for Canvas, call 617-373-4357 or email help@northeastern.edu

Canvas Student Resources: https://canvas.northeastern.edu/student-resources/

For assistance with my Northeastern e-mail, and basic technical support:

ITS Customer Service Desk: 617-373-4357

Diversity and Inclusion
Northeastern University is committed to equal opportunity, affirmative action, diversity, and social justice while building a climate of inclusion on and beyond campus. In the classroom, members of the

University community work to cultivate an inclusive environment that denounces discrimination through innovation, collaboration, and an awareness of global perspectives on social justice.

Please visit http://www.northeastern.edu/oidi/ for complete information on Diversity and Inclusion

Title IX
Title IX of the Education Amendments of 1972 protects individuals from sex or gender-based discrimination, including discrimination based on gender-identity, in educational programs and activities that receive federal financial assistance.

Northeastern's Title IX Policy prohibits Prohibited Offenses, which are defined as sexual harassment, sexual assault, relationship or domestic violence, and stalking. The Title IX Policy applies to the entire community, including male, female, transgender students, faculty, and staff.

In case of an emergency, please call 911.

*Please visit **https://www.northeastern.edu/ouec** for a complete list of reporting options and resources both on- and off-campus.*
